Full-Stack Developer & AI Engineer with 4+ years building scalable web applications using React, Next.js, TypeScript, Python, and Django. Experienced in cloud deployment, database architecture (PostgreSQL, MongoDB), and AI integration. Proven track record delivering enterprise dashboards, e-commerce platforms, and client projects across multiple industries.

---

## Experience

JUNE 2025 – PRESENT

### **Jnr Software Developer & IT Technician Intern / Eullafied Tech Solutions, SA, NW**

Contribute to agile development projects while managing IT infrastructure and technical support. Optimize codebases for improved performance, maintain hardware and software systems for operational reliability, and provide customer technical support across development and IT operations.

JULY 2025 – PRESENT

### **AI Software Developer / AI Global Networks, SA, JHB**

In my current role, I am responsible for developing AI-powered applications using React, Next.js and Groq API integration. Architect secure backend systems to protect API credentials and ensure data integrity. Build scalable, production-ready solutions with focus on performance optimization and user experience. Implement comprehensive testing protocols and maintain clean, maintainable codebases for enterprise clients.

SEPTEMBER 2025 – PRESENT

### **Web Developer & Graphic Designer /MapsMediaProductions, SA, NW**

Develop and maintain client websites using modern web technologies while collaborating on graphic design projects. Manage project timelines to ensure timely delivery and maintain client communication throughout the development process under company direction..

---

## PROFESSIONAL EXPERTISE

Technical proficiencies include React, Next.js, TypeScript, Python, Django, Flask, PostgreSQL, MongoDB, AWS, Azure, and AI integration. Experienced with modern front-end frameworks, RESTful API development, cloud deployment, and version control systems.

---

## FORMAL EDUCATION

I obtained my NCV National Certificate Vocational in Information Technology and Computer Sciences from Orbit Tvet College from 2022 to 2024.
